

WE LISTEN

For over a century Beacon has been building enduring, personal relationships with our customers. And we attribute our success to the endurance of established values, the benefits of innovative thinking and the dedication of our personal service representatives.

Whether you're planning for retirement, or looking to manage your portfolio to meet today's changing market, let Beacon guide you to financial success and security.

We Never Stop Working For You

Your Beacon Financial Group representative will take time to talk with you and determine what you want to accomplish, how long you plan to hold your investment, your tolerance for risk, and what your current tax situation looks like.

Then we'll help you integrate your investments with your existing plans, social security, and other programs. So call Beacon today and let us help guide you to financial security.

WE PLAN

Your Beacon financial adviser will help you integrate your investments with your existing plans, social security, and other programs.

We can develop a realistic investment plan to meet your personal goals.

Your Success Is Our Goal

Interested in low-risk investing? Our IRA Certificates of Deposit (IRA CD) provide predictable returns combined with the security of FDIC insurance. Or let us help you pick the right IRA whether it's a traditional, Roth or SEP IRA, with the best maturity to meet your needs.

WE PROVIDE

Once we determine how your new investment plan will fit within your existing portfolio, we implement your plan. Using highly respected research firms, we select the right investment vehicle or mix of products that will maximize the benefits of your plan, including: Mutual Funds~Tax Deferred Annuities ~(fixed or variable)

or any stock listed on the New York, American, OTC or foreign exchanges.

We listen, We plan, We provide.
